PRINT / WEB
Books

Books are one of my favorite forms of production. Flowing text with master pages, creating stylesheets, automatic table of contents, incorporating art, using xml to tag and then repurpose content from print to web — I love it all.

My experience includes:
- ✦ K-6 Textbooks - English and Spanish
- ✦ Hotel listing books for business travel
- ✦ Poetry and Biographical books
- ✦ Procedural documentation books

Skills:
- ✦ InDesign expertise
- ✦ Advanced pagination
- ✦ Image adjustments for press gain
- ✦ xml tags with BITS schema and xslt
